Each ESR represents a unique piece of this puzzle

Our ESRs are producing research that matters

- Presenting at conferences
- Publishing papers
- Engaging with industry challenges

Connected to major European networks

- COST Action Fin-AI: 4,500+ researchers, 39 countries
- European Consortium of Mathematics for Industry
- European Consortium of Innovative Universities

500 Euro Prize

Recognizing:

- Scientific excellence
- Creativity in communication

Announcement: Social Dinner, December 10th

Make your research shine!

This Training Week

Two accredited courses (4 ECTS total)

- History and Prospects of Digital Finance (3 ECTS)
- Environmental Aspects (1 ECTS)

Beyond lectures and poster sessions

- Build relationships with fellow ESRs
- Connect with supervisors from other institutions
- Explore the remarkable city of Naples

Thank You

Special thanks to
Professor Maria Iannario
and the entire team at the
University of Naples
for hosting us and organizing this training week

Welcome to the MSCA DIGITAL Finance Training Week!

September 2026?
